

«BS Education» Study Abroad Agency

Study Abroad Agency «BS Education» was founded in 2015 in Astana, Kazakhstan and it also has branch office in west part of Kazakhstan – Aktau city. Our main purpose is to work with quality education providers. We regularly visit our partner institutions and take part in international workshops every year.

Our main promotional strategy is organizing presentations for potential clients at schools and Universities. We work extensively with modern promotional tools such as internet promotion. We translate materials for our web-site to make it accessible to Kazakh and Russian speaking clients.

«BS Education» is dynamically developing company in the market of education which offers various curriculums at the best schools, colleges and universities of:

- Europe
- Great Britain
- USA
- Canada
- Australia
- Japan
- New Zealand
- Malaysia
- China
- Turkey
- Cyprus
- Korea

Constantly increasing quantity of students through our agency is acknowledgement of high-quality service and professionalism of our employees. More and more Kazakhstan students prefer to go to the distant countries in order to get education which is becoming more similar to lifestyle, rather than a luxury. The high degree of service and the guaranteed service give the chance to study without cares.
